### Notice to all Applicants: Options for Applicants with Disabilities or Handicaps

This property is managed by Showe Management Corporation. We are not permitted to, nor do we discriminate against applicants on the basis of their race, color, religion, sex, national origin, familial status, disability or handicap. In addition, we have a legal obligation to provide "reasonable accommodations" to applicants if they or any family members have a disability or handicap. Compliance actions may include reasonable accommodations as well as structural modifications to the unit or premises.

A reasonable accommodation is some modification or change that we can make to the policies or procedures that will assist an otherwise eligible applicant with a disability to take advantage of the program. Examples of reasonable accommodations and structural modifications include:

- > Making alterations (providing that such alterations do not cause an undue financial or administrative burden) to a unit so it could be used by a family member with a wheelchair;
- > Installing strobe type flashing light smoke detectors in an apartment for a family with a hearing impaired member:
- > Permitting a family to have a seeing eye dog to assist a vision impaired family member in a family development where dogs are not usually permitted;
- > Making large type documents or a reader available to a vision impaired applicant during the application process;
- > Making a sign language interpreter available to a hearing impaired applicant during the interview;
- > Permitting an outside agency to assist an applicant with a disability to meet the property's applicant screening criteria.

An applicant family that has a member with a disability must still be able to meet essential obligations of tenancy - they must be able to pay rent, to care for their apartment, to report required information to the Manager, avoid disturbing their neighbors, etc., but there is no requirement that they be able to do these things without assistance.

If you or a member of your family have a disability or handicap and think you might need or want a reasonable accommodation, you may request it at any time in the application process or after admission. This is up to you. If you would prefer not to discuss your situation with management, that is your right.
